- Thank you to Melody for the Holiday Shop and Dorothy for the Echo Mountain Gift Wrapping.
- Ms. Lindstrom was able to tour a STEM lab to see new technology for STEM education in the classroom. Real Time Venn Diagrams, Electronic White Board, 3-D printers, augmented reality set- dissect a human heart. Going to look at investing in these for our school. Do we know any medical groups who would be interested in sponsoring?
- Thank you to Gretchen for fixing the sock order.
- We gave every teacher and aide a pair of Grayhawk socks!
- Flex classroom was a huge success for class parties.
- Also helped us secure the mascot program.
- Need a bigger trash for flex classroom.
- ELF production was a massive success. May do a Spring production. Miss Fowler has agreed to be the teacher rep. Might include SEL teacher to amplify learning. Performance will be here at Grayhawk and practices will likely be twice per week for 1 hour.
